

Take the Highway Safety CHALLENGE! Do your part to help prevent highway fatalities by:

- Buckling up
- Avoiding distractions
- Sharing the road
- Obeying speed limits
- Driving drug-and-alcohol free

For more information on the Virginia Highway Safety Challenge and ways to avoid becoming Virginia's next traffic fatality, visit [www.safeVAhighways.org](http://www.safeVAhighways.org).

## Hot Spots for the Fredericksburg Region May 9 – May 15, 2010

### Stafford County

#### Interstate 95

**Sunday - Thursday**, 9 p.m. – 4:30 a.m.; crews will be milling, paving and striping on the following ramps at the Rt. 630 interchange (Exit 140 and at the Rt. 610 interchange (Exit 143). Motorists should be alert to construction crews and equipment. Ramps will be closed to traffic while work is in progress. Electronic message boards will be used to detour traffic entering and exiting the interstate at these interchanges:

- **Sunday:** ramp from I-95 south to Rt. 630
- **Monday:** ramp from Rt. 630 to I-95 south
- **Tuesday – Wednesday:** ramp from I-95 south to Rt. 610 west and Rt. 810 (Salisbury Drive)
- **Thursday:** ramp from Rt. 610 west to I-95 south.

#### Route 610 (Garrisonville Road) - Ongoing Construction Project

**Monday – Friday**, motorists should be alert to construction crews and equipment entering and exiting Rt. 610 near Joshua Rd. Motorists should expect periodic delays. This is in connection with the Route 610 widening project.

### Spotsylvania County

#### Interstate 95

**Sunday**, 9 p.m. – 4:30 a.m.; crews will be replacing guardrail on I-95 northbound just south of Exit 130 (Rt. 3/Fredericksburg) and Exit 133 (Rt. 17/Falmouth). Motorists should expect a single lanes closure in the work zone.

#### Interstate 95

**Monday - Thursday**, 9 p.m. – 4:30 a.m.; crews will be installing guardrail along the following ramps at the Rt. 3 interchange (Exit 130). Motorists should be alert to construction crews and equipment. Ramps will remain open however travel lanes will be narrowed:

- **Monday – Tuesday:** ramp from Rt. 3 east to I-95 north
- **Wednesday - Thursday:** ramp from I-95 north to Rt. west

#### Route 17 (Mills Drive)

Motorists are reminded to expect delays and to be alert to changes in traffic patterns on Rt. 17 at Germanna Point Drive during both the day time and overnight hours. Crews are working to complete the Rt. 17 entrance to the new Spotsylvania Regional Medical Center. Work is expected to be complete in approximately 2 weeks. The work is being done by the Silver Companies.

#### Route 3

**Monday – Friday**, 9 a.m. – 3:30 p.m.; crews will continue work on Route 3 at Bragg Road. Left turns will periodically be prohibited from Rt. 3 eastbound to Bragg Road. This work is in connection with Bragg Road widening project.

**Route 639 (Bragg Road/Fall Hill Avenue) -Ongoing Construction Project**

Motorists are reminded that Bragg Road between Route 3 and the entrance to Central Park is an active work zone. Motorists should be alert to construction crews and equipment in the area and be prepared for changes in traffic patterns within the work zone. The Bragg Road entrance to Giant remains only open to right turns in and out.

**City of Fredericksburg**

**Kenmore Avenue**

Motorists are reminded that crews continue work to replace the sewer lines at the intersection of Kenmore Avenue and Hanover Street. Motorists traveling on Kenmore Avenue or Hanover Street should follow the designated detour signs.

**Route 1**

**Monday – Friday**, daylight –dusk; motorists on both north and southbound Rt. 1 will be restricted to one lane between Mary Washington Blvd and College Avenue while crews continue work on the UMW pedestrian bridge. There will be no lane closures in effect on weekends.

**Caroline County**

**Route 1**

Monday – Friday, 7 a.m. – 6 p.m.; crews continue work on both north and southbound Route 1 between the Hanover county line and Route 613 (Zion Rd.). Work includes trench widening, guardrail replacement and paving. Motorists should expect periodic lane closures in the work zone. Estimated completion date for this project is June 2010.
